Local Kiwanis Chiefs prepare for their FIRST ANNUAL PANCAKE BREAKFAST to be held this Saturday from 7 to 11 a.m. at the La Paz Plaza shopping center in Mission Viejo. The public is invited to attend the "gala affair." Children under six are invited free to the breakfast and all others will be charged \$1. Pictured above, in a rehearsal scene for the breakfast, are President Bill Wells; co-chairman George Dicks and Otto Guli and Chief Cook Nick Di Giuro. Tickets are available from Bill Wells at the United California Bank in Mission Viejo or from any member of the Kiwanis Club of Mission Viejo. RANCHO REPORTER PHOTO.

Saddleback College Begins Initial Pre-Registration

Pre-registration of graduating high school seniors planning to attend Saddleback College commenced this week.

Saddleback College division chairmen are meeting with prospective students at the five high schools in the district, Foothill, Laguna Beach, Mission Viejo, San Clemente and Tustin High.

Community surveys of prospective Saddleback College students who are not currently attending the local

high schools will start next week, reported Superintendent Jack S. Roper.

Applications for full-time and part-time students will be available, along with a list of course offerings, at municipal civic centers, chambers of commerce offices, and libraries.

Classes will start September 23 at the new college in Mission Viejo. Only freshmen classes will be offered the first quarter.

Persons wishing to attend the college next fall, dur-

ing the day or in the evening, should complete one of the survey applications, the superintendent urged.

Survey applications will be available, starting Wednesday, May 22, at one of the following community locations: Rancho Reporter Office, 24975 Whisler Dr. El Toro.

Construction Beginning On Toro's First Office Building

By Carl E. Venstrom

A two story, 12 office professional building will start construction immediately between Raton and Muirlands Streets on El Toro Road in El Toro.

The building will contain approximately 15,000 square feet of rentable office space.

John S. Thompson, of Western Real Estate in El Toro announced this week that the building will be approxi-

mately completed by October of this year.

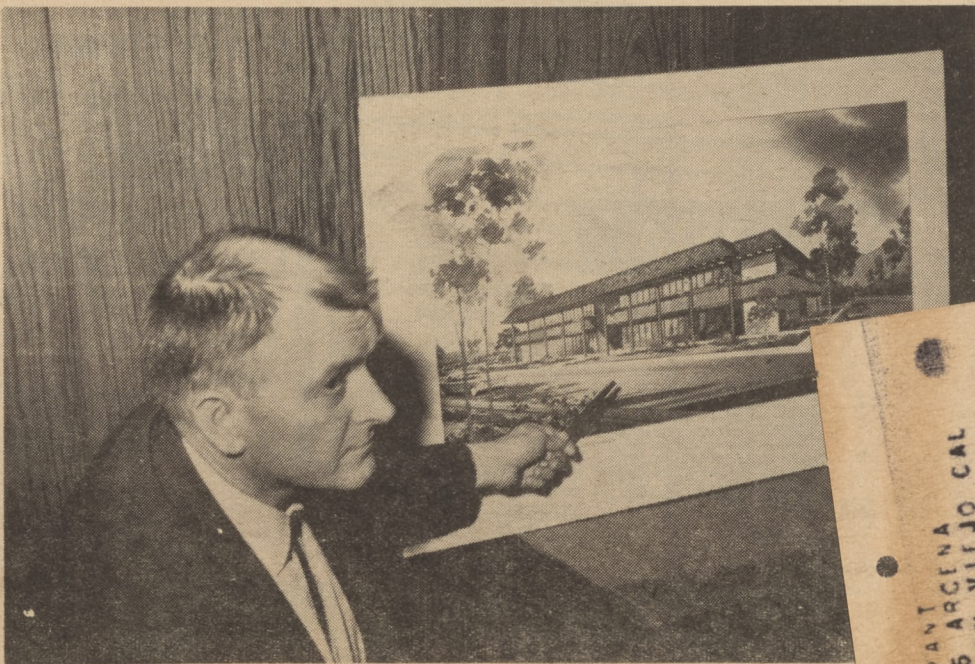

Plans for the building include housing for a dentist, medical doctor, lawyer, accountant and other offices that have not yet been de-

termined.

"The zoning for the building is strictly professional," said Thompson.

Spanish style architecture is planned for the area. Parking facilities, in the rear, will be available for 64 automobiles. Mark Kornwasser, of Los Angeles, is the builder and owner of the property.

Thompson said that the artist's sketch of the building is available for public inspection in his office located adjacent to the El Toro Post Office.

AN ARTIST'S SKETCH of a two story, 12 office professional building — structured immediately between Raton and Muirlands Streets on El Toro El Toro — is pictured above with John S. Thompson of Western Real Estate. RANCHO REPORTER PHOTO.

Mission Viejo Kiwanis Host Pancake Breakfast Saturday

By Carl E. Venstrom
Editor and Publisher

How about an excellent \$1 breakfast with your neighbor this coming Saturday morning? Interested?

If so, the Kiwanis Club of Mission Viejo warmly invites you to their first Annual Pancake Breakfast to be held this Saturday from 7 to 11 a.m. at the La Paz Plaza shopping center in Mission Viejo.

Bill Wells, president of the local service club, said that children under six are invited free to the breakfast and all others will be charged \$1.

"The menu," said Wells, "will consist of a complete breakfast for the entire family and will include coffee, flapjacks, sausage, juice and milk."

The breakfast will be prepared and served by members of the local service club. Tickets are available from Bill Wells at the United California Bank in Mission Viejo or from any member of the local Kiwanis Club. Chuck Waltman, of El Toro, is in charge of ticket sales.

Wells explained that money received through the breakfast will be used for charity work and for service to youth and community projects.

He said that the money will stay in the community. "The local service club," said Wells, "is presently

helping the YMCA, the Little League and the local churches in developing their various programs."

Wells also said that the club's drive for "Pennies for the Olympic Team" has been under way for some time and that the local serv-

ice club will help sponsor a foster child.

The weather man predicts a warm, friendly Saturday morning. Hope to see you for breakfast at the La Paz Plaza shopping center this Saturday.

Kindergarten Enrollment Urged by SJSJSD Officials

Officials of the San Joaquin School District have announced that kindergarten registrations will be held in the elementary schools of the District during the week from May 20 to May 24.

Parents of prospective enrollees are encouraged to register their youngsters at this time so that adequate planning provisions may be made for the anticipated

heavy growth that continues to take place in the District.

Requirements for kindergarten enrollment are that the youngster be five years of age or over before December 2, 1968, and that this evidence be supported by a birth certificate, affidavit, or other acceptable record. It is also necessary to provide proof of immunization for polio.

MV GOP'ers Set Membership Tea

The Mission Viejo Republican Women Federated will give a membership tea at their May 28th meeting to be held at the home of Mrs. Anne Platt, 26782 Saddleback, Mission Viejo from 1:00 p.m. until 4:00 p.m.

A group of interesting speakers have been asked

to attend including men running for office in the Republican Central Committee of Orange County, Fifth Supervisorial District.

Mrs. James Wand, president, extends an invitation to all women interested in joining the club to attend.

Local News

Olivewood PTA is sponsoring a movie time on Memorial Day, Thursday, May 30. Plan to attend this fun-filled laugh-in with your favorite comedy and cartoon characters. Showtime is at 10:00-11:00 a.m. and 1:00-2:00 p.m. in the school multipurpose room. Donations 25 cents.

The newly-elected officers of Ralph Gates School PTO are Robert McCurley, President; Sue Waltman, 1st Vice President; Sandra Levaett, 2nd Vice President; Willella Sanchez, Secretary; and Dee Berens, Treasurer. The new officers will be installed during the general PTO meeting on June 4.

Congratulations to the University Park School for their successful "The Small World of University Park." The school PTA reportedly raised over \$1,600 with the money going for new library

books.

Mr. and Mrs. Curby Hall proudly announce the birth of a baby girl, Monday, May 13 at the Santa Ana Community Hospital. Baby Dianna Jeanette weighed 7 lbs. and 4 oz. Grandparents are Mr. and Mrs. Thomas Ridge of El Toro and Mr. and Mrs. C. C. Hall of Tennessee. The Hall's live at 24252 Chrisanta in Mission Viejo.

Ralph Gates, Superintendent of the San Joaquin School District announced this week that the district will receive \$243,137 from the federal government.

The money comes under Public Law 874 and is administered by the Office of Education. Gates reports that this is 65 per cent of the total they may obtain if currently legislation is approved to free additional funding.

EDITORIAL:

Area Offers Opportunity For All Residents . . .

CARL VENSTROM

The month of May is certainly proving to be a dynamic one for our area.

It appears to this newspaper that more has been happening during this month so far than during the previous two or three months. We should like to mention just a few of these local happenings.

Coming up is the first Annual Pancake Breakfast, sponsored by the Kiwanis Club of Mission Viejo to be held this Saturday at the La Paz Plaza Shopping Center in Mission Viejo from 7 until 11 a.m. where an excellent breakfast will be offered to the community and the public for \$1 per person with children under six invited free.

The breakfast will be cooked and served by members of the local service club and the money collected will be used locally for purposes of charity and to aid our youth and churches in their programs.

Two weeks ago a very successful Cinco de Mayo Day was held on the Mission Viejo High School Campus where our entire area — as well as Mission Viejo — took part in the festive occasion. Adults — as well as children — were delighted with the day.

Elsewhere in this newspaper is an announcement of the first professional building to be erected in El Toro. Let's hope that this is the first of such desirable buildings to be planned and built for El Toro.

The PTAs and PTOs have been active this month in the public schools. More than 30 interested parents attended the last school board meeting of the San Joaquin School District and the constant support of the new Saddleback Junior College District is very encouraging.

The local churches have joined, during the last month, in sponsoring various programs throughout the areas. The Boosters Club of Mission Viejo High School have continued their paper drives and activities for raising money for the athletic programs.

Little League started up this month with "a bang" in the Mission Viejo and the greater El Toro area. Congratulations go to many hard working parents, merchants and young players.

These are just a few of the news items that have crossed the desks of our newspaper office during the past month. It's real encouraging. It appears that our readers are not only getting involved in our new communities but are getting behind some constructive and worthwhile projects. Congratulations!

Letter to Editor

Carl E. Venstrom, Publisher
Rancho Reporter
Box 237
El Toro CA 92630

Dear Mr. Venstrom:

As a businessman, I know you share my concern about one of the most persistent and stubborn problems of our time. This is the crisis in our cities and towns. It starts with the unemployment and idleness of our youth, especially during the summer months, which can grow into a way of life. It is crucial that we work together to begin solving these problems.

I urge you to join me in

a campaign this summer which will harness the resourcefulness and energies of our young Californians for productive work through summer employment.

Your role in the Summer Job Campaign is the most important of all: take a good, close look at the jobs you have and match them with the needs of our youth. I refer to jobs at the beginning levels where real work can justify the pay. All of us must help provide as many jobs as possible for our young people.

Your local Chamber of Commerce is aware of the

importance of working with you to help youth find jobs this summer. The offices of the California State Employment Service stand ready to refer qualified youth to you for jobs.

I urge you to join with us to make this a profitable summer for both you and the youth of your community and state.

Sincerely,
Ronald Reagan
Governor

Dear Editor,

Thank you very much for giving me the opportunity to advertise in your weekly

Welcoming Committee — When the crowd of Western revelers showed up at Bommer Canyon on The Irvine Ranch at 1 p.m., May 19 to enjoy the Lyric Opera Association of Orange County's "Old-Time Western Opry Barbecue" they were greeted by (adults, left to right) Mr. and Mrs. William R. Mason and Mr. and Mrs. J. Jean Bedell. The Masons are honorary chairmen of the event and Bedell is president of the Lyric Opera Association. The children (above, left to right) are Lucinda and Cindy Bedell and Midge Mason.

Mission Viejo Company Leads Orange County In Home Sales

During the first quarter of 1968, Mission Viejo Company officially recorded more home sales than any other builder in Orange County, according to independently compiled figures released by the company.

Announcing the achievement, Donald G. Zellner, vice president-finance and treasurer of the company, said:

"These are the official figures from 'Recorded Fact,' a publication issued by First American Title Company, so there can be no disputing them.

"During the first quarter," Zellner continued, "Mission Viejo Company

newspaper the Rancho Reporter.

I would also like to thank all of your readers who saw my L&P Landscaping advertisement displayed in your newspaper, and who took the time to give me a call.

I had been doing landscaping jobs in the Tustin area and wanted somehow to establish my business in the Mission Viejo, El Toro areas but didn't know how I would go about it. Upon checking, I learned of your local newspaper and thanks to the coverage I got through your paper I now have satisfied customers and am in the process of giving more bids for other jobs in your area.

This would not have been possible without your Rancho Reporter being mailed to the thousands of homes I wanted to reach each week. It goes without saying. I am going to continue advertising in your newspaper and will certainly recommend it to other business people I meet.

Sincerely,
Dinnis Lilly and Tom Pilgram

officially recorded 189 sales of the La Paz Homes and Eldorado Homes. Our closest rival was 71 sales behind with 118 and the third place builder recorded 92 transactions.

"In succeeding months, we should surge even farther ahead of the competition. March, with 123 sales, was the biggest month in our history and none of those sales could be recorded in the first quarter.

So, we are looking for an even better second quarter."

Zellner added that even the company's "Number 1" ranking does not give the complete picture of the great sales activity in Mission Viejo, since two other builders are selling homes in the community and the same official statistics show that one of them is among the top three builders in the county.

Mission Viejo High School PTO To Hear Speaker, Elect New Officers

The Annual Meeting of the Mission Viejo High School Parent Teacher Organization will be held Tuesday, May 28, at 7:30 p.m., at the high school.

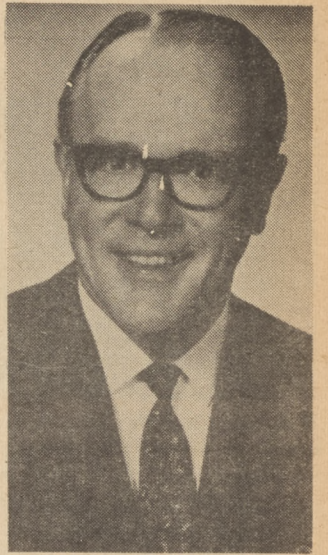

The speaker will be Professor Grover B. Gordon, Vice-President and Director of Development of Pacific Christian College. Mr. Gordon is also professor of Oral Communication and Preaching at Pacific Christian. He has been professor of speech, radio and television in the graduate seminary of Butler University, the Illinois Institute of Technology, and at Lincoln Christian College.

Gordon was director and producer of programs at WICS-TV (Springfield, Illinois) and KACY-TV (St. Louis), and news editor at WICS-TV. He has held pastorates in California, Indiana, and Oklahoma, and he is an instructor in the Dale Carnegie Courses, serving throughout Southern California. He is listed in "Who's Who in the West" and "Who's Who in American Education." His topic will be "Problems — Let's Get With Them."

In addition to this outstanding program, officers will be elected for the coming year. The nominating

committee has submitted the following slate of candidates: President — Ed Clement and Norman Fohrman; First Vice-President — Mrs. Samuel Koski and Mrs. James Price; Second Vice-President — Bob Holmes and Mrs. Paul Ricker; Secretary — Mrs. George Dicks and Mrs. Cy Griesbaum; Treasurer — Mrs. Guy Johnson and John Perample.

The Cinco de Mayo Committee reports an estimated 10,000 people attended the Fiesta May 5 during the day, and that the stadium was packed for the parade and fireworks exhibition.

GROVER B. GORDON

"How can there be a God?"

"I mean, with wars, and the bomb, and murders, and poverty, and people taking dope, and all. How can there be a God? Where is He? Why doesn't He do something?"
Sound familiar?

So often people, young and old, deny God because "He" lets things happen. But the question really is not "Why

doesn't He do something?" Rather, ask yourself, "Why don't I do something?" For you are God's instrument on earth. Go to your church or synagogue. Seek your Faith. And your true self and purpose.

Then go out and help make the world the better place you know it can be. You can, you know.

Hospital Campaigners Meet... Vice Chairmen of the General Gifts Division of South Coast Community Hospital's \$2,000,000 appeal for funds discuss this area's exploding population and their part in providing the necessary beds to care for this influx of new residents. Vice-Chairmen from left to right are: Mrs. Donald H. Teetor, Mrs. John H. Turk, Mrs. Bert W. Hendrickson, and Mrs. John R. Hitchcock who is pointing to the chart depicting our current population of 101,500 which is expected to more than double by 1975, reaching 209,000 residents.

South Coast Hospital Wins Three Year Accreditation

South Coast Community Hospital has been notified by the Board of Commission on Accreditation of Hospitals that it has been given full accreditation for the usual three-year period, according to Stanley W. Volga, Hospital Administrator. The Certificate of Accreditation will be presented in the near future and will be displayed, as have previous certificates, in the Lobby of the Hospital.

The Joint Commission presents two types of Accreditation one of which is a conditional Accreditation for one year, pending the

correction of certain problem areas in the hospital. The second is the full three year Accreditation received by South Coast Community Hospital.

John D. Porterfield, M.D., Director of the Joint Commission said in a letter to Mr. Volga, "The Commission wishes to commend you for maintaining standards deserving of accreditation

and for your constant effort to improve the quality of patient care."

It is interesting to note that in 1960 after only one year of operation, South Coast Community Hospital earned full accreditation. This is an unusual accomplishment, as the average length of time for all newly established hospitals is a three year period.

Old Timer Notes...

By McKAY MITCHELL

Recently we acquired a copy of the edition of "California Historical Landmarks" published by the California Department of Parks and Recreation. For those who wish to get off the freeways and see history, we highly recommend this booklet for your summer travels, and even weekend junkets, it is a must.

Close by we have the Serrano Adobe 2 miles northeast of El Toro on Trabuco Road. These are the original buildings on the Canada De Los Aliso grant in 1842 to Jose Serrano.

Silerado Canyon, and Red Hill, north east of Tustin, were both booming mining camps in the 80's and 90's. Red Hill was then known as Cerro de las Ranas.

Black Star Canyon, through which a road to Corona is soon to be opened was the site of an Indian Village, where a battle over some stolen horses was held. Also in the 70's a coal mine was opened at the mouth of the canyon. There was another coal mine operated at Carbonate in Silverado Canyon.

Barton Mound, southeast of Irvine, was where James Barton and a posse of 5

men, hunting an escaped convict, was ambushed and all killed. The convict named Juan Flores, and his followers were captured on Flores Peak later.

The prize is Madam Modjeska's home known as the Forest of Arden northwest of Cooks Corner. Madam Modjeska was the wife of a Polish aristocrat and a noted opera singer who appeared all over the country. She brought grace and charm to the area.

The lesser, on the right, peak of Saddleback is officially Modjeska Peak named in memory of the Modjeska's.

We Tried To Get Pictures Of The Players, But...Editor and Publisher Carl Vensstrom was thrown off the field last Saturday at the opening of the new Saddleback Little League. League games are played on the field on El Toro Road.

Rev. Butman, Editor Of "The Congregationalist" Guest Speaker

On Tuesday evening, May 28, at 8 o'clock, The Reverend Harry R. Butman, Congregational Minister of Los Angeles, will make a presentation to the combined groups of Protestant Churches in keeping with its ecumenical theme. This will be given in the Lutheran Church of the Cross, El Toro Road, Laguna Hills.

Rev. Butman edits "The Congregationalist," a national magazine for Congregational Churches.

Tuesday's services, sixth in the ecumenicity series, under the direction of The

Reverend Fred W. Neidringhaus, Minister of the Mayflower Congregational

Church of Leisure World, is open to all Protestant denominations.

Saddleback Little League Parents and Friends turned out in record numbers to watch the 1st league game last Saturday. Saddleback Little League has 6 major league teams and 8 minor league squads. Bob Crandall of Laguna Hills is the President of the newly organized league.

N. American Breaks Ground

A reliable source reported to the RANCHO REPORTER, at press time, that NORTH AMERICAN had started to break ground.

In a story carried in this newspaper last week it was reported that North American's South Orange County facility, employing an estimated 7,500, will be completed in mid-1969. The facility will cover 1300 acres, will house data and information systems of Autonetics, an electronics division of the North American Rockwell Corporation. The primary operations will include computer design, fabrication and programming.

Located north of the Crown Valley Parkway midway between Laguna Beach and Mission Viejo, the construction on the plant will start this fall.

College Attracts Tots — Children in Mission Viejo have discovered there is quite a science lesson at college — the pond in front of the offices of Saddleback College that is. The attractions are tadpoles and baby toads. Observing a toad on his hand is James Thorpe, Saddleback College science division chairman. At left is Mrs. Kenneth R. Reuter, kindergarten teacher of O'Neill School in Mission Viejo, who took her students on a field trip to the pond. Children are Vicki Koren and Greg Inloes.

Laguna Hills Marine Wins Legion Of Merit Citation

A Laguna Hills Marine has been awarded the Legion of Merit for his "exceptional meritorious conduct in the performance of outstanding service" in Vietnam.

Lt. Col. Bobby Ray Hall, presently serving as commanding officer of Marine Composite Reconnaissance Squadron (VMCJ) 3, at the

Marine Corps Air Station, here, was cited for his actions while serving as the electronic warfare officer and subsequently as the photographic reconnaissance officer with the fleet.

His accompanying citation read: "While assigned as the electronic warfare officer, he displayed exceptional technical and tactical skill, initiative and resourcefulness. He planned coordinated and initiated a viable program of electronic warfare that has become highly effective in Vietnam.

In addition, he instituted procedures to prescribe a mission-by-mission reporting system for VMCJ-1 that was later adopted for use by all the military services.

He wrote comprehensive reports on electronic countermeasures operations against North Vietnamese targets that are the only overall records of this early period of electronic warfare against North Vietnam. These reports included information and recommendations that had a major impact upon the evolution of electronic warfare techniques, tactics and equipment.

When the first U.S. aircraft was shot down in July 1965, Col. Hall envisaged the spread of hostile sur-

face-to-air missiles and the appearance of an integrated North Vietnamese air defense system.

Junior Art Work Featured At Festival

Thousands of pieces of art work from the public schools, kindergarten through high school, have been pouring into the County Schools Office in anticipation of the major art exhibit, the Anna Mary Beck Junior Gallery at the Laguna Festival of Arts this summer (July 12 through August 24). The work submitted will be carefully screened for creative expression, originality and aesthetic quality with some

300 being selected for the show.

Three days, May 20, 21 and 22, have been selected for the judging and processing of the exhibit pictures. Detailed records will be made and all schools sent reports about student work chosen.

Some quarter of a million people annually visit the Festival of Arts and the Junior Gallery is one of the many popular features.

El Toro Educator Named To State Board

Dr. J.C. Fikes, Chapman College faculty member and administrator, has been elected to serve on the State Advisory Board on Mental Health.

Dr. Fikes has been an associate professor of psychology and director of the El Toro Residence Education Center at Chapman College since 1965. He previously had taught at Santa Ana College.

A teacher of psychology since 1948, Dr. Fikes has had 15 years' experience in clinical practice as a speech and psychotherapist. He has been a consultant to the Orange Coun-

ty Schools office and Fairview State Hospital.

A graduate of Southwestern College in Kansas, he received his master's degree at the University of Redlands and his doctorate at Staley College, where his doctoral dissertation on stuttering delineated mental health problems in oral communication and their current therapy in Europe and the United States.

Adult Education Or Extended Day; SJC Official Explains

What is the difference between "Adult Education" and "Extended-Day" classes at Saddleback College?

In answer to the common inquiry at the new college, which will be offering "extended-day classes" when its doors open September 23, Dean of Instruction Fred H. Bremer explains:

"Adult education refers to an extensive program offered at the end of the regular instruction day which includes courses on elementary, high school and junior college levels.

"Extended - day is that phase of the adult education program that provides courses of college credit level."

Dr. Bremer said Saddleback College will offer adult education program with only the "extended-day phase or college-credit-course level" the opening quarter. Other

phases to be offered at the college in the future will

continue to be under study, he said.

Air Cal Story Told To Viejo Kiwanis

Alan H. Kenison, vice president for traffic and sales for Air California, was the guest speaker last week at the Kiwanis Club of Mission Viejo.

George Dicks, of Mission Viejo, was the program chairman for the day for the local service club, and introduced Kenison to members of the club.

Kenison told the "Air California" story to the club and how he became associated with the organization. He was a marketing consultant before joining Air California and was assigned to do research for the organization. "Early interviews," said Kenison, "showed a very positive interest by Orange Countians in having a direct flight to San Francisco."

He also told — often in a humorous vein — some of the frustrations on forming the organization and meeting the time schedules necessary to get their planes in the air.

"Flexibility," said Kenison, "has been the key to the success of Air California." He is a Stanford University graduate and before his marketing consultant work was vice president and general manager of a fac-

JANIS VENSTROM

Shopping With Jan

Unless you are very familiar with the dining spots here in the surrounding areas you might have missed Wilhelm's restaurant in Santa Ana.

It is off the beaten path but well worth your patronage. Their food is excellent, prices range from \$2.95 and the atmosphere is warm and quaint. They are also open for luncheons.

Mrs. Reeves, owner, personally invites you to come in and enjoy her establishment and hopes you will become a steady diner once you have tried one of the many entrees offered at Wilhelm's.

The address of Wilhelm's is 1100 S. Grand Ave., Santa Ana. Directions coming from the El Toro area are Santa Ana Freeway to 1st St. turn off and then turn left on 1st and drive to Grand Ave., and then left on Grand Ave. Wilhelm's is on the right hand side of the street down a few

blocks. Happy Dining!

+++

If you are interested in cooling off this summer and you do not as yet have an air-conditioner I would suggest calling Bob Le Grand at Pacific Heating Co., Inc. They are local people and have been in business for many years. I can guarantee any work they might do for you in the cooling or heating line. It will be done well and will be done at the lowest possible prices. They are very pleasant, efficient people to do business with. Call Bob at 837-2000 or after 5:00 call 837-0906, and he will be happy to answer any questions you have concerning prices, installation, etc.
